A stylized comic book illustration. On the right, a grey character with a large black eye and a distressed expression is shown. The background is a deep red with yellow motion lines. A white speech bubble with a black outline is on the left, containing the text 'We need to get out of here quickly!!'. Below the speech bubble, the text 'After that, we came out.' is written in red.

We need to get out
of here quickly!!

After that, we came out.

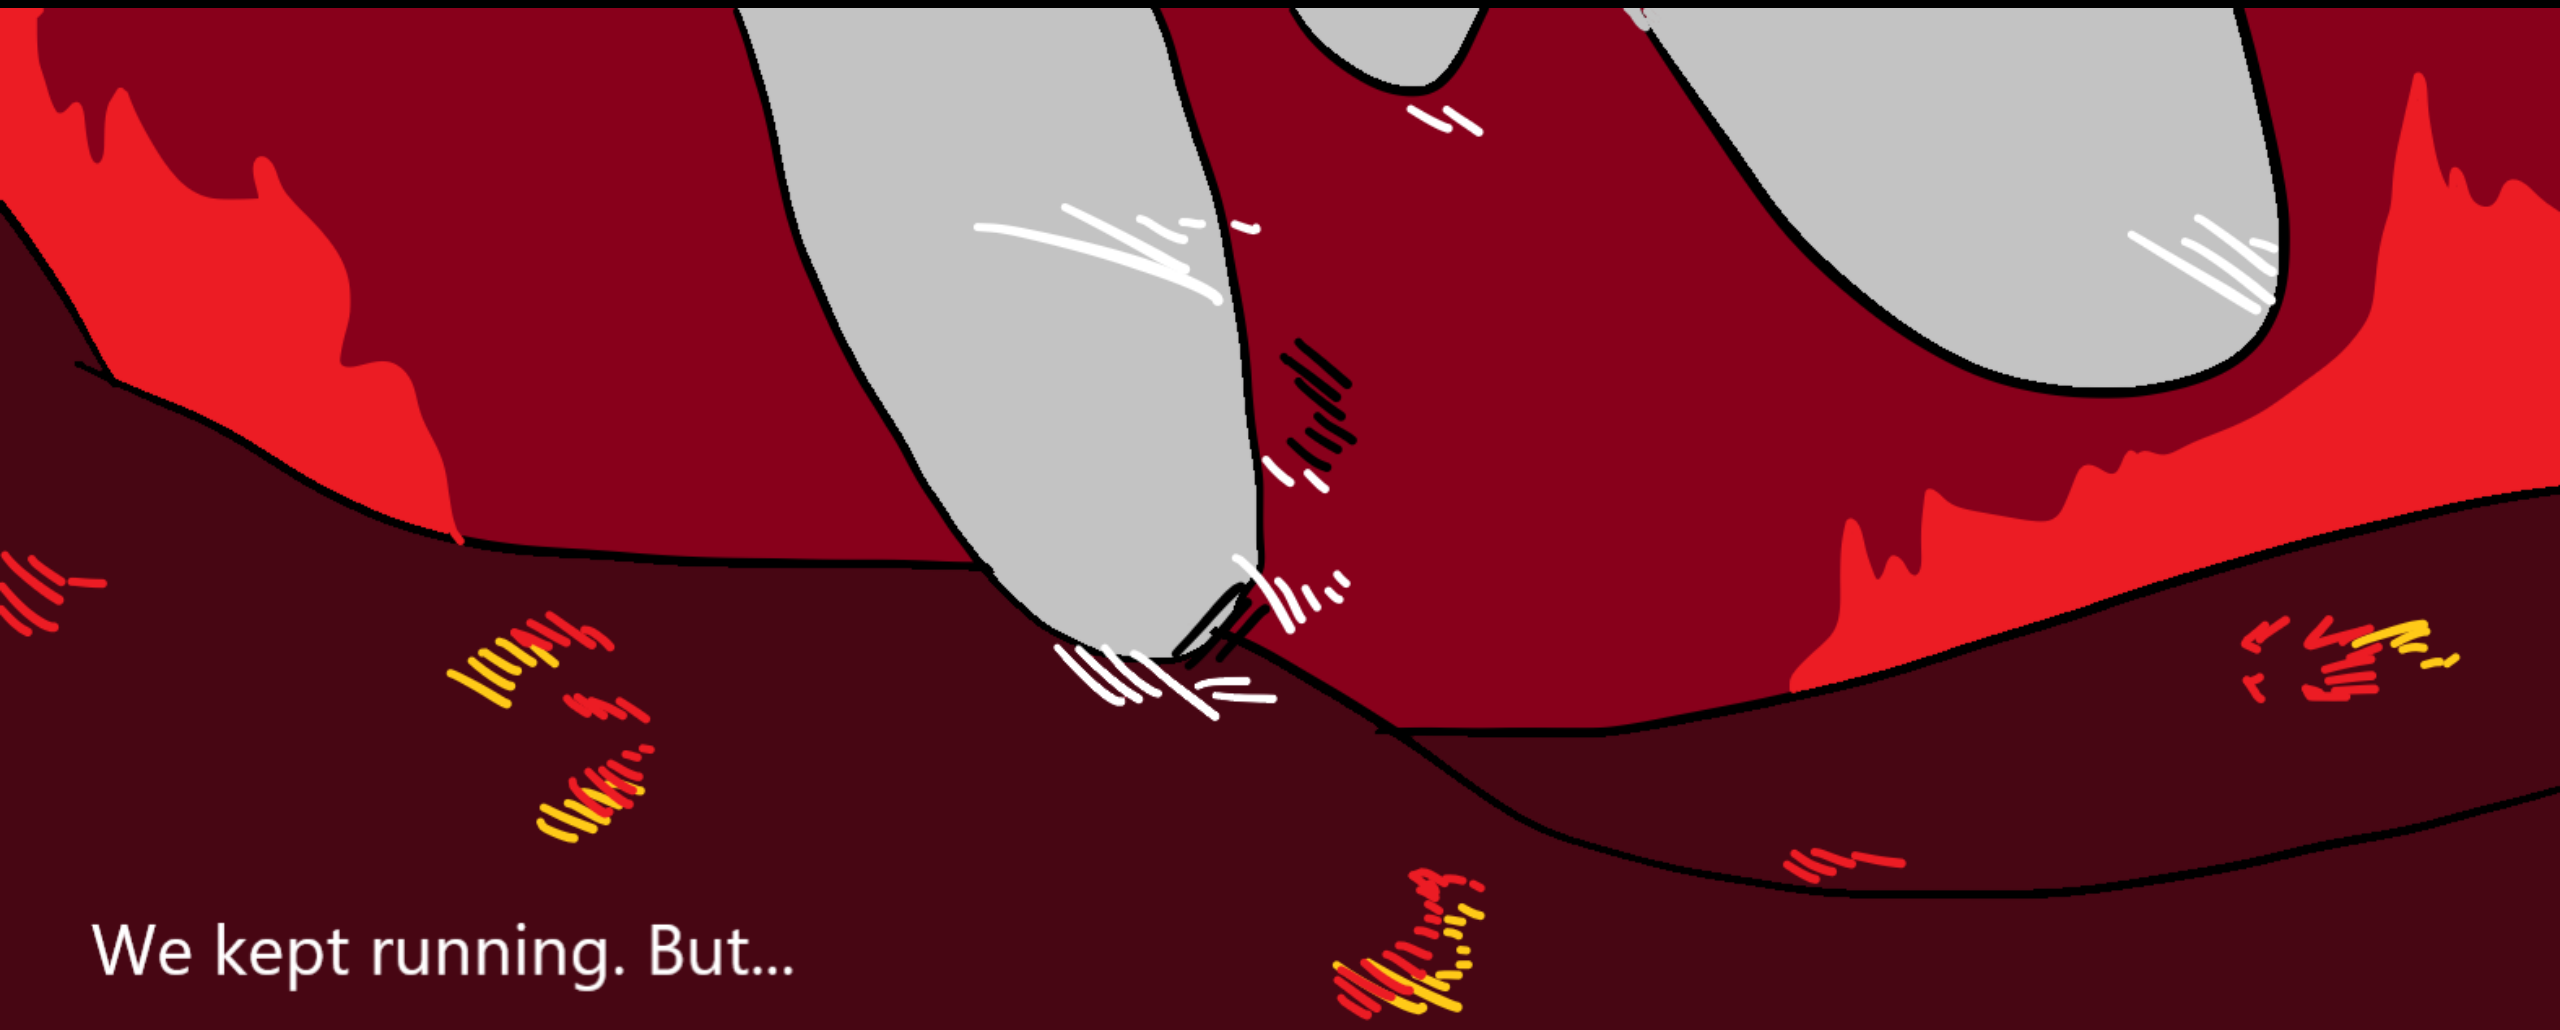

We'll stay here, so you go
right now!

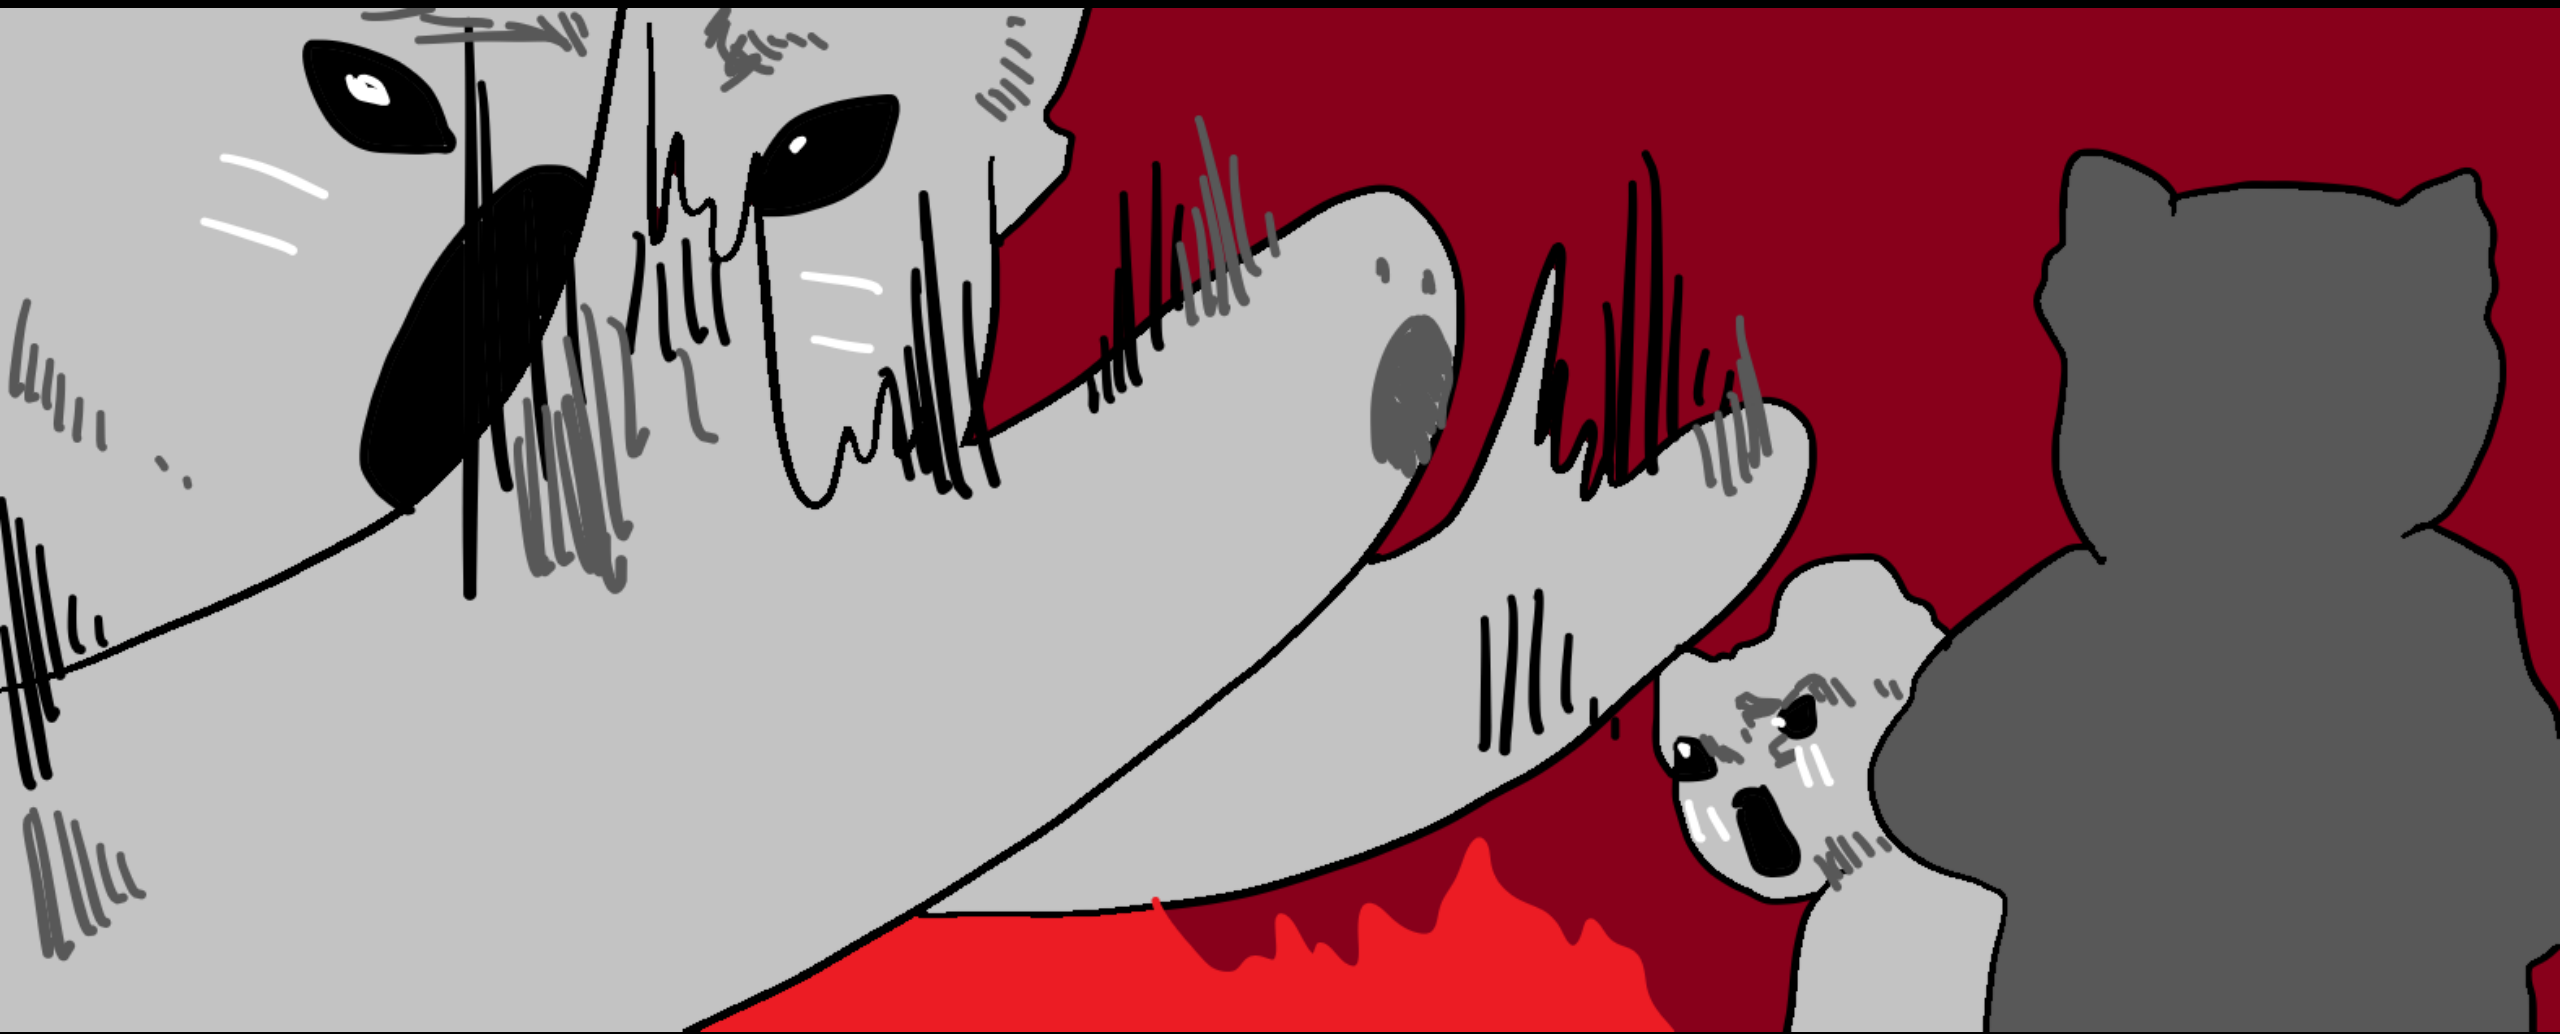

... my parents said,

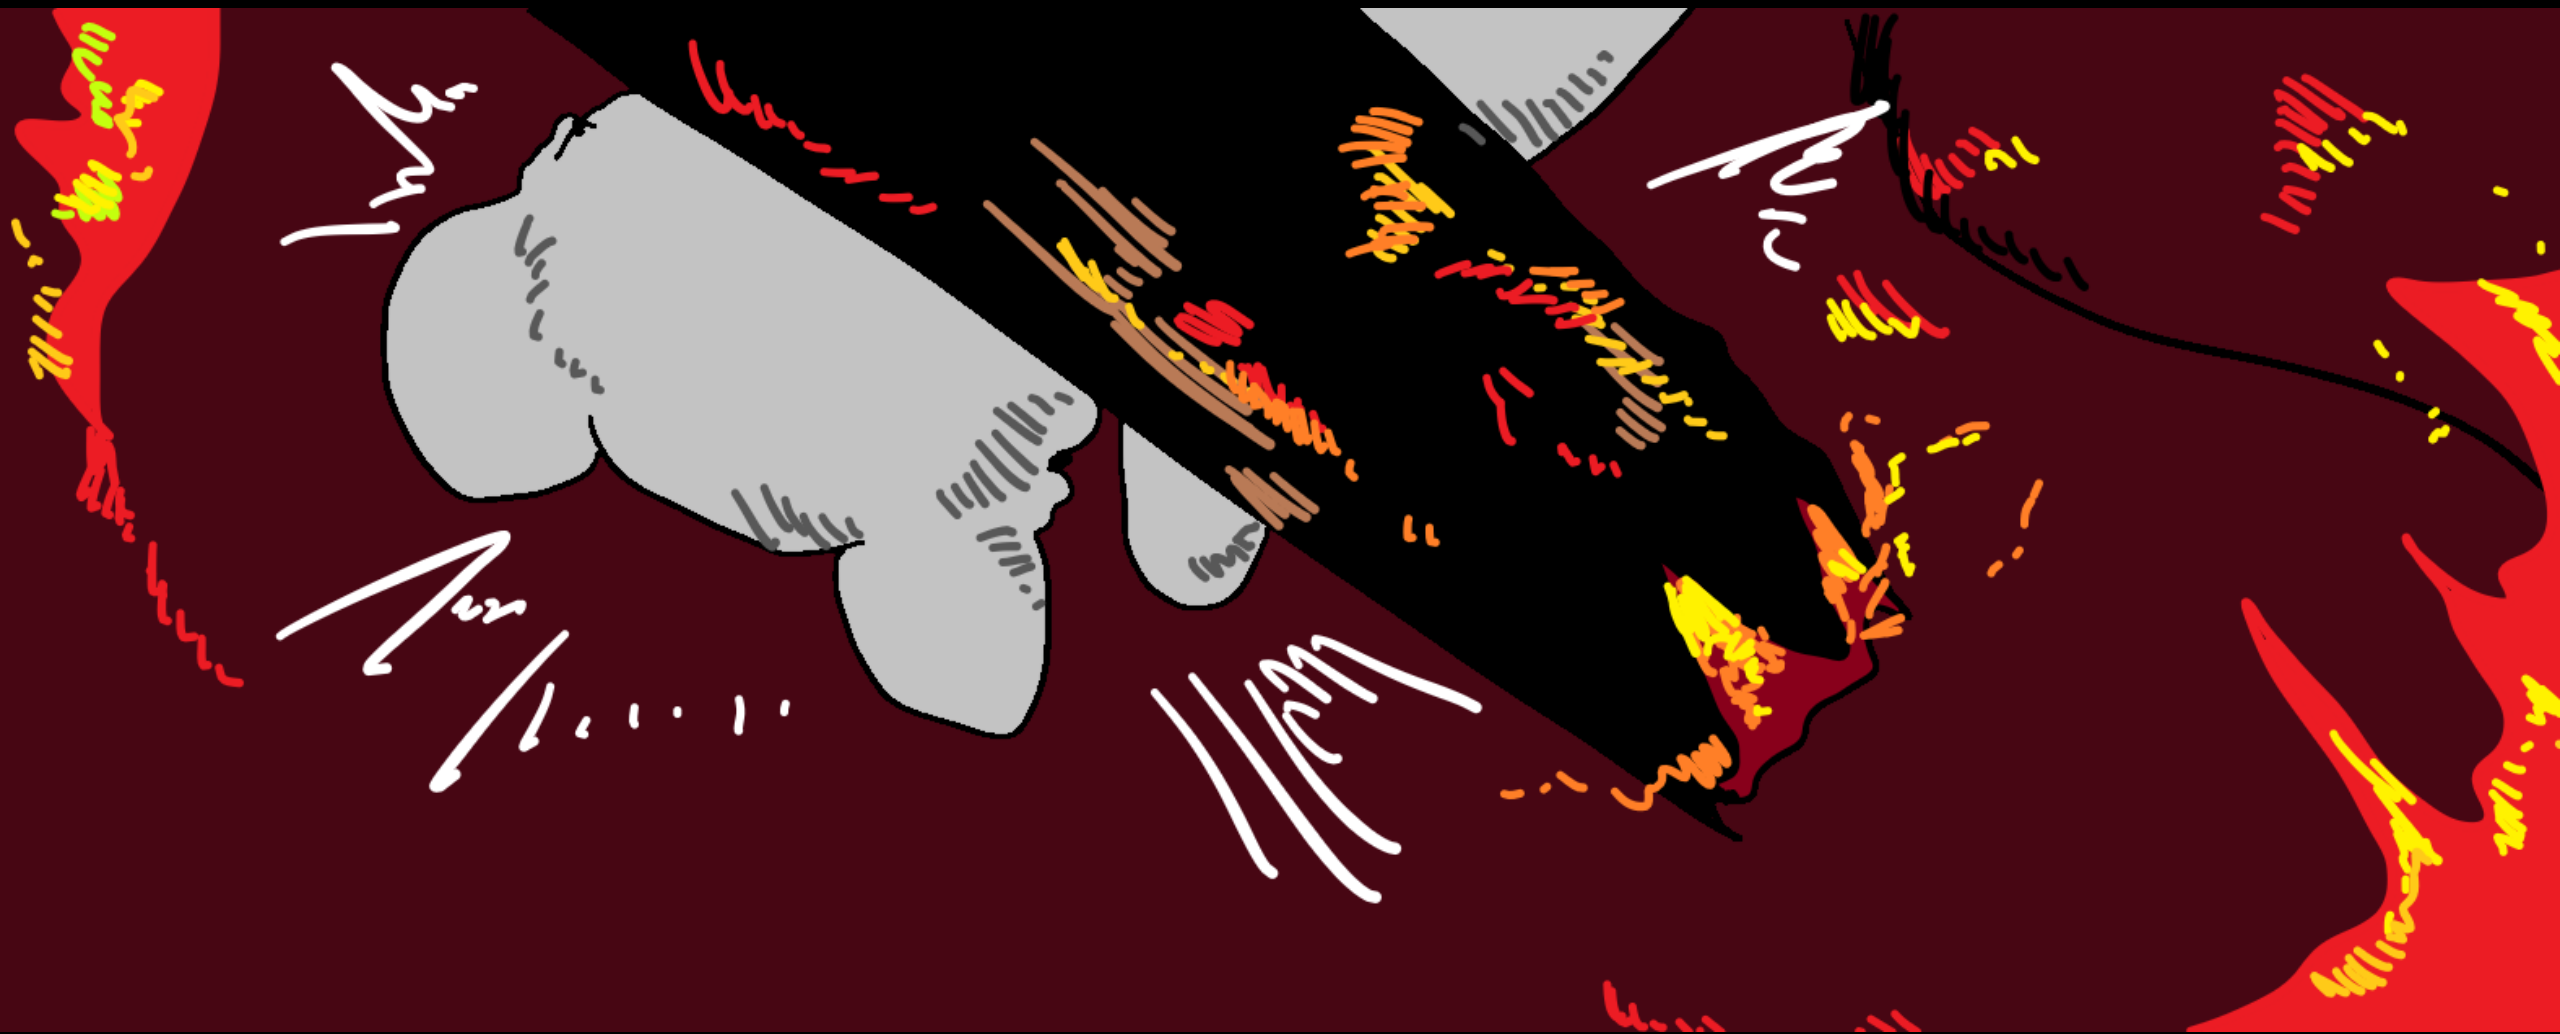

we haven't seen my parents since.

We kept running. But...

my **brother** fell down.

He said, You go first, don't come here.
and his friend also said the same thing.

I haven't seen them since.

This is my family.
